Where else can children be the experts in their field and share their wealth of information? I hope you will join us for our quarterly COTTAGE FAIR celebrations. In addition to cottage projects, the students also participated in our annual Science Fair. You won't want to miss the fabulous Science displays the students have worked so hard on. They are anxious to share with you! Don't forget to visit our specialist's classrooms and see the fun things they have been learning. Invite your friends and neighbors and come to EDUPRIZE and share the fun.
