DR. McCAMMAN’S CORNER
We are moving into our final week of 2014-2015 school year. Each year holds so many wonderful memories and moments. This year is no exception. I would like to personally thank all of the parents who took the time out of their busy schedules to come in and volunteer in the classrooms. Through your commitment to EDUPRIZE, you enhanced the education of all of the children and you show your child how much you value his/her education! Please have a restful summer with your precious children and hopefully make some new family memories. I look forward to seeing all of you in July!

WHAT’S UP FROM MR. GREEN!
Well, I just have to say that I am very excited about taking the students on a trip where we get to fool them into thinking they are having fun when they are really learning. It’s Disney Time!!! Of course it will be an arduous journey (the “sleeping” on the bus part will not be the highlight), but in this case the ends will certainly justify the means. Students will take part in one of two field experiences: Leadership or Marketing, and it should be an incredible time for all!

On another note, we at EHS would like to express our heartfelt gratitude and respect to all of our military heroes on this Memorial Day weekend. This week our high school Social Studies students were privileged to hear from a real-life hero, Mr. Arden Rowley of Mesa who was a prisoner of war for nearly 3 years during the Korean War. I was also able to listen in, and it was truly humbling to be in the presence of one who gave so much for our country. As he made very clear, FREEDOM IS NOT FREE!

Have a splendid weekend!!!

DIPLOMA PROGRAM
We are developing an exciting new program for the K-6 grade students for the 2015-16 school year! Each quarter the students will be able to earn a “degree” by accomplishing a grade level specific set of criteria. The expectations will include academic, behavior and attendance tasks. In addition, as a way to highlight continuous education, each classroom will represent a college. On Monday we will have a College Day where the students can wear their college colors and a college lanyard displaying pins that they have earned. As a part of Curriculum Nights, during the first few weeks of school in the 2015-16 school year, we will provide you with additional information. We are very excited to be planning a school wide incentive program at the elementary level!

SUMMER VACATION!
EDUPRIZE staff wishes all of you a safe and exciting summer vacation. We look forward to your return to school in July and to hear how exciting your summer was and what type of adventures you experienced. Don’t forget to keep reading and logging your reading hours to be turned in when you return. We are also looking forward to hearing what you have discovered about your classroom college.

IB AT EDUPRIZE
The 10 Top Reasons you should consider and IB education:
10. World renown education: you can’t find a better reputation.

1. Nothing of great worth is achieved without great effort and determination.

NEW FROM THE NURSE
Parents, if you have a child who has medication in the Health office, please stop by on Thursday, May 28th, the last day of school to pick it up. If you will not be in town on the last day of school, please give the Health office a call to set up a time for the medication to be picked up. The Health office does not keep medication over the summer. Any medications left after the last day will be disposed of unless previous arrangements have been made.

LOST AND FOUND
Please remember to check the lost and found for anything that has been lost over this last quarter. The larger items will be outside of building 1 by the lunch tables anything small, such as glasses, necklace, rings, ear rings, head bands, will be in the front offices of each building. Building 1 will have the most of the small items. All items will be held until June 5th and then will be donated to charity.
