Welcome Back

Students and Families!

I hope everyone is having a wonderful summer full of adventures and stories of all shapes and sizes! My plan is to visit my family in Maine for the 4th of July and get out of the heat. I'll tell you all about it when we get together.

This is my 9th year at EDUPRIZE and 12th year teaching. Before coming to EDUPRIZE, I taught 2nd grade for 3 years in Maine. I was also a 1st grade reading interventionist. I'm very excited to be teaching 2nd grade AM TOPS this year. We will be in Building 1, Room 42. We start at 7:20am and end at 12:30pm. Please check eduprizeschools.net for any scheduling changes.

This is going to be a wonderful year together. I can't wait to get started. We have a busy year ahead of us. I just love the 2nd grade cottages. We are blown away by Weather Station. We explore the United States in American Boutique. Things get a little buggy during Bug Farm, but it's all fun! And who doesn't love a Dinosaur Dig???

We have our Open House on July 20th at 8:00am. I will be available from 8a-4p that day in case you can't make it at 8am. While online, please print and complete the Open House/Emergency Documents and bring them with you! Also, we will be collecting $8 by cash or check (payable to EDUPRIZE) for a magazine subscription.

The first day of school is July 22nd. You have to be here on time and attend all day in order to be considered enrolled. We will be an AM TOPS classroom. Bring in your summer reading hours when you come to Open House. Open House is also a great time to drop off school supplies.

In the mornings, please drop your student off where assigned. You will be given your pick-up/drop-off assignment at Open House. We will have our room number painted on the playground. Your child will line up at that number. If you are late, please walk your student into the building and sign them in.

Enjoy your vacation! I can't wait to hear about all your adventures!
