Welcome to First Grade!

I’m so excited to get to know you! This will be my 11th year of teaching first grade. I have taught other grade levels, but especially love the eagerness and curiosity of first grade students! It will be such a fun, full year of learning. We will read informative and interesting books, explore the world of math and write all kinds of stories! Together we will enjoy the following cottages: Bird House, Sweet Shop, Plymouth Plantation and Mineral Market. So exciting!

Parents will also have the opportunity to participate in our exciting year. Parent helpers may work with small groups and individual students, prepare activities, help with art and cottage projects, grade papers, make copies and much more. It is always a blessing to have parents in the classroom. I will have a sign-up for volunteers at Open House.

I look forward to meeting you and beginning this new school year together. Open House is on Monday, July 20th from 2:15-3:15 in Room 22, but I will be available from 8:00-4:00 for your convenience. Attending at our assigned time will enable you and your student to meet myself and other classmates and keep the school traffic minimized. This time will allow us to get introduced to each other as well as dropping off school supplies. While online, please print the Open House/Emergency Documents, complete at home and bring with you! At Open House, we will also be collecting $8 for a magazine subscription. Please bring cash or check made out to EDUPRIZE.

If you have any special concerns regarding your child please contact me via e-mail and I will respond as soon as possible. I love having open communication and believe this will be the key to a successful and enjoyable year! debbie.decker@eduprizeschools.net

This is a PM TOPS iCLASS, so school starts at 11:00 a.m. and ends at 4:10 p.m. Monday through Friday. Our first day of school is Wednesday, July 22. All students must be on time and present the first full day of school to be considered enrolled at EduPrize.

Each morning I will meet my students outside on the basketball court and bring them into the building. If you have any questions about drop-off or pick-up please email me or ask me at Open House. Please check out our website at eduprizeschools.net for any changes in schedules.

Please scroll down to see the list of supplies your child will need for this school year. Thank you for entrusting me with the care of your child. I promise to provide your child with a year full of learning in a safe and fun environment! See you soon! ☺

Love,
Debbie Decker
