Welcome!! I am so glad you are here this year! Take a peek at our Cottages:

Q1: All About Me: We will learn about our community around us, our bodies, friends, and what makes us special.

Q2: Farm and Traditions Around the World: Learning where milk and eggs come from is always a great way to appreciate food. Learning family traditions through food is a great way to appreciate our families!

Q3: Habitats: We have to have a habitat! We will dive into the ocean, dry and cold desert, and our own! What makes it the perfect home?

Q4: Life Cycles: Chicks, frogs, and butterflies oh my! A favorite of all time, the kids learn new terms and walk through each with a new understanding of morphing!

Thank you for bringing your supplies!!!!!

A Tad About the Teacher:
Welcome! My name is Ashley J Earnheart. I am a graduate of the University of Mary-Hardin Baylor and this is my 3rd year at EDUPRIZE. I am a native Texan turned Arizonian with my husband Seth, our current 2nd grader Adam, and Boxer Roxy. We are avid outdoorsmen who love hunting, fishing, camping, and hiking. All of those outings go great with a trusty Dutch Bros. coffee and some crochet in tow. I am the science coach for the Kinder team, and look very forward to introducing all of the awesome things to these kids this year! I am in high anticipation of a great year, and with the partnership of parents like you, we can make it happen!!! Thanks for joining the awesomeness of EDUPRIZE kinder!
