Welcome to our class! I am excited to join you in your journey of 4th grade this year! This year we will magnify our creativity in reading, intensify our imagination in writing, and deepen our knowledge in math. We are also going to have a lot of fun exploring our cottages this year. Our focus will be Conservation Plantation, Arizona Highways, Reptile Ranch, and Grand Canyon Marketplace. I have some exciting projects planned for this year and I cannot wait to start exploring with you.

We will get to know each other very well this year. In the meantime, I thought you would like to know a little bit more about me. This is my second year at Eduprize. Last year I taught 3rd Grade PM TOPS. I graduated from ASU with a B.A. in Elementary Education with an emphasis on Special Education. I am excited to join you in 4th grade this year! I am married and I have 4 children. My youngest, Hope, also attends Eduprize.

I welcome parent volunteers anytime. Student success can be directly linked to parent involvement. I have at home and in-school jobs available. I will have sign-ups during Open House.
