I want to welcome you to the best class at EDUPRIZE. I am your 4th grade teacher, and our class is called the Nettogs! The first thing you should know is that our class is in room 56, downstairs in Building 2. We are in Village 1 with 11 other fantastic classes.

Can you believe it is almost time to get back to the books? I am so excited to begin our new cottages for this year (Arizona Highways, Reptile Ranch, Conservation Plantation, and Grand Canyon Marketplace) and to learn all the new faces in our class.

I am looking forward to meeting you at Open House. It will be on Monday, July 20, at 1:00. If you cannot come at that time, please contact me, and we can set up an alternative time. I will be at school the majority of the day, and I will work around your schedule. While online, please print and complete the Open House/Emergency Documents and bring them with you!

I will be collecting $12 by cash or check (payable to EDUPRIZE) at Open House for your planner and a magazine subscription.

On the back of this letter, you will find the supply list. Please be sure to bring all items to Open House, so your desk will be ready for the first day.

If you are available, I could really use some help organizing the classroom. I will be having an “adults only” pizza party for all who can come on July 21. The fun begins at 9:00, and we should be finished by 1:00. Parents may sign up at Open House. If you need to contact me, my e-mail address is: paige.nett@eduprizeschools.net

Don’t forget, your child must be present all day on the first day of school, Wednesday, July 22, to be officially enrolled at EDUPRIZE. School begins for Village 1 at 7:50 and ends at 2:50 Monday-Thursday and 7:50-11:30 on Fridays.

Please check the school website often for any changes or updates.

I am looking forward to meeting you, and I am excited to be your teacher.

**DO YOU KNOW ...?**

Do you know your times tables? You should have a good knowledge of the 1-12’s by the time you enter 4th grade. If you aren’t strong with them, you will need to practice them as often as possible. This is really important for the first quarter because most of our math is based off of that knowledge.

**DID YOU KNOW ...?**

* Mrs. Nett traveled to Italy, Great Britain, and Scotland this summer?

* Mrs. Nett collects Ford Mustangs.

* Mrs. Nett has been married for 28 years and has a daughter named Sarah.

**HOMEWORK NOTES**

You will receive a notebook called the “Leave at Home” notebook. This book will contain all your spelling lists, math drills, reading calendars, and other important papers. Please keep this binder in a safe place, you will be using it every day. If your child has 2 different homes, please notify me at Open House, so I may assemble 2 notebooks for you.

Students need a permanent location for their homework materials so as not to lose this very valuable notebook. Also included in this location should be pencils, a timer, coloring supplies, and notebook paper.

Students will have about 45 minutes of homework per night. This will include spelling, math, a reading assignment, and a vocabulary assignment. Students are expected to complete 100 hours for reading counts outside of that 45 minutes.
Supply List (Nett)

Please DO NOT STRAY from these suggestions. There is a purpose to every specific detail. DO NOT write your child’s name on anything because we share supplies as a class community. Bring all items to Open House.
