Welcome to Room 41! My name is Meghan Polselli, and I have taught at EDUPRIZE for 12 wonderful years! I am thrilled about the upcoming school year! This will be an exciting year, and we will have many challenging and fun-filled learning adventures ahead of us. Together we will also create a respectful and caring classroom family that will provide a dynamic year of learning. As your teacher, I will try to make it your very best! I am also excited to have this opportunity to share in this experience with you as we embark on using iPad2s in the classroom as a tool integrated with EDUPRIZE’s standards supported curriculum.

Please come to Open House on Monday, July 20th from 8:00-8:45 a.m. At Open House, I get to meet you, you can see other classmates, bring in school supplies, and there will be important papers for you to pick up. While online, please print and complete the Open House/Emergency Documents and bring them with you! Also, we will be collecting $8 by cash or check (payable to EDUPRIZE) for a magazine subscription.

We have a stimulating year ahead of us! Together we will enjoy the following cottages: Bug Farm, Weather Station, American Boutique and Dinosaur Dig.

Parents will also have the opportunity to participate in our exciting year! Parent helpers may work with small groups and individual students, prepare activities, help with art and cottage projects, grade papers, make copies, and much more. It is always a blessing to have such wonderful parents who help make our learning experience more intriguing.

This is an AM TOPS iCLASS, so school starts at 7:20 a.m. and ends at 12:30 p.m. Our first day of school is Wednesday, July 22nd. All students must be on time and present on the entire first day of school to be considered enrolled at EDUPRIZE. On the first day of school, I will meet the students outside. You will get information about where to line up outside at Open House.

Please see the back of this letter for a supply list. You will notice I have cleaning items on the list. This helps prevent your child from becoming sick and can thereby minimize sick days. The other supplies help me keep your child organized. Please bring the supplies to Open House on Monday, July 20th. This is a great time to drop off your child’s supplies instead of having to juggle them on the first day of school.

Please check the school’s website for any changes!

I can’t wait to see you! 😊
