Dear Parents and Students,

I would like to take this opportunity to introduce myself. My name is Sheri Reda and I am excited to have the opportunity to educate and learn with your student this year! Our year together is going to be full of exploration and fun!

I have earned a Bachelor’s Degree in Elementary Education with an endorsement in Gifted Education.

My husband and I have two wonderful children. Anthony graduated from The Barrett College at ASU and works for Fox Sports 1 in Los Angeles. Bri just finished her second year of study at NAU with a major in Exercise Science and will begin her third year this fall. She plans to go on to earn her doctorate in Physical Therapy.

We will be exploring four 9-week Cottages this school year. Our Cottages we will be studying are: Body Shop, Invention Convention, Planetarium, and Physics Foundry. Each cottage is full of hands-on learning experiences that teach Arizona College and Career Readiness Standards for both Science and Social Studies. If there are any parents who have expert knowledge on any of our cottages, please email me at sheri.reda@eduprizeschools.net.

I look forward to being your teacher this year and I can’t wait to meet all of you at our Open House on July 20th in building 2, room 75! The suggested time for our Open House will be from 11:45 AM- 12:15 PM. Open House is your chance to see your classroom, meet classmates, and pick up important information including carpool information. You may also drop off your school supplies at this time. You should check our website, eduprizeschools.net, for updates and changes. While online, please print and complete the Open House/Emergency Documents and bring them with you! Also, we will be collecting $12 for a planner and magazine subscription that will be payable by cash or check made out to EDUPRIZE.

Parent helpers are strongly encouraged and are always welcome in our room to enhance and facilitate our learning. During Open House, I will have a quick form for you to fill out letting me know when you would like to volunteer. I do ask however, that you wait until after the first two weeks of school before you start volunteering. This will give our class a chance to establish our routines and procedures at the start of the school year.

Our first day of school is Wednesday, July 22th. In order for you to maintain enrollment at EDUPRIZE, you must be on time and attend this day. During Open House I will let you know where our class will be lining up outside. On the first day, I will be outside to meet and greet everyone. For the Traditional Day Schedule, school begins at 8:10 AM and ends at 3:10 PM, Monday through Thursday and 8:10 AM – 11:50 AM on Fridays.

Again, I look forward to an exciting and productive new school year! I will keep you posted on our activities and parent involvement opportunities throughout the year. I thank you in advance for all of your support and sharing your wonderful children with me.

Sincerely,

Sheri Reda
