Dear Families,

I am thrilled to meet your child and begin a new year of learning. First Grade will be filled with magical wonder and incredible growth for your little star.

My husband, Gene, and I have two amazing boys, Matthew (9th grade) and Michael (7th grade). Being outdoors together is what we enjoy most; we especially like to hike, go on bike rides, and play Frisbee at the park with our Lab, Sedona.

We’ll begin the school year by becoming a classroom family which will be accomplished by making decisions together and building character. Your child will be treated with respect and LOVED every day he/she is in school. I’ll embrace the uniqueness of every child in our class family, and have high expectations as we continue the lifelong journey of learning. Besides working to create a respectful and caring environment, we’ll also enjoy learning through the following cottages: Mineral Market, Bird House, Sweet Shop, and Plymouth Plantation. A very exciting year of learning awaits us!

Please plan to attend our OPEN HOUSE on Monday, July 20th in room 9. I will be available from 8:00–11:30 and 12:30–4:00 for your convenience, but our designated time is at 1:00. You may also deliver school supplies during this time. While online, please print and complete the Open House/Emergency Documents and bring them with you! We will also be collecting $8 cash or check (payable to EDUPRIZE) for a magazine subscription. Feel free to send an email to me in advance with any special concerns you may have regarding your child and the upcoming year.

School begins on Wednesday, July 22nd. Your child must be present and not tardy the first day of school to be considered enrolled at EDUPRIZE.

Fondly,
Tami Slattery
