Dear Parents,

Welcome to EDUPRIZE Pre-Kindergarten program for the 2015-2016 school year. I hope you all had an enjoyable and relaxing summer. I would like to take this opportunity to introduce myself and provide you with some information about your child’s upcoming year.

My name is Sandy Schultz and I will be your child’s teacher for this year. I taught various grade levels for 19 years. I have spent the last two years teaching Kindergarten specials, media classes for K-6 and helping in the Pre-Kindergarten classroom here at EDUPRIZE. I have a Bachelor’s degree and a Master’s degree in Education and my Early Childhood Endorsement. I am very excited to get to teach the pre-kindergarten classes this year.

I am married to a wonderful man and we have two great boys who keep us very busy. They both attend EDUPRIZE School and I have been thoroughly please with their academic progress. This school is awesome and my children have flourished academically. We were able to travel this summer and did a lot of camping. I am so blessed to be a part of the staff.

Now let me give you a rundown of your child’s day. We will start our day with open centers. This will give each student a chance to explore different centers around the room and interact with their peers. Then we will have Opening Circle time where we will select jobs, recite the pledge, learn about the calendar, discuss the weather, sing songs and do some finger plays. We will also have a weekly theme that our lessons throughout the week will be based on. There will be a letter of the week. We will be reading stories that go along with our weekly theme. There will be a monthly color, shape to go along and numbers will be introduced every other week. Circle discussion will reflect theme topics and children’s interests. These will help enhance oral language development, active listening skills, sharing and respect for others. Work time will have specific activities to develop reading, writing, math, sensory or fine motor skills, large motor skills, science and discovery skills and artistic abilities. Finally we will end our day with Closing Circle where we will have a story, song and reflection of what we learned each day.

Please have your child bring a backpack with an extra change of clothes, a healthy snack, a water bottle, and closed-toed shoes daily. Open House and Meet the Teacher will be July 20, 2015 in room 58 of Building 2. While online, please print and complete the Open House/Emergency Documents and bring them with you! Times as follows:

Mon. thru Fri. students 10:30am  Tue. & Thurs. students 1:00 pm  Mon. Wed. & Fri. 3:30

The first day of school for those students who attend daily, as well as the Mon. Wed. Fri. class will be July 22. For the Tues. & Thurs. class the first day will be July 23. All class times will be 12:30-4:00pm. Please be checking our website at eduprizeschools.net for any changes in schedules. Also, attached is a supply list and other important information.

I look forward to a very rewarding educational experience for your child. Please don’t hesitate to contact me if the need arises. My email address is:
