EDUPRIZE is an School of Excellence

Want to experience a super science day? Volunteer at the Science Olympiad event on Saturday, November 14th 8:00 a.m.-5:00 p.m. As the host school, EDUPRIZE needs judges, gatekeepers, runners, concession workers, and more. It is an exciting day with student teams (grades 6-9) from all around the state competing in different events. You will not regret spending a few hours with young scientists. Please email Toni Bachand (toni.bachand@eduprizeschools.net) or Jessica Dodds (Jessica.dodds@eduprizeschools.net) to let them know what hours you could help to ensure this is a positive experience for all of the students.

We appreciate every minute you put into your children’s classroom and at home. If you haven’t had the opportunity to volunteer, please contact your child’s teacher and sign up for a time.

BOOSTERTHON IS IN FULL SWING!

If your kids have not mentioned Boosterthon to you, be sure to go to funrun.com and get them registered. They can win prizes for collecting pledges. Check it out!

Please keep in mind, the money we earn from the Boosterthon goes directly to help our teachers in the classroom. We are hoping to purchase power point presenters to allow teachers to walk around the room monitoring students’ progress more effectively, musical theater equipment to help make the performances crisp and clear, and more classroom Chromebooks.

Hey kids, have you heard about the 50 state challenge? As a school, if we can get pledges from all 50 states, Mrs. Fox and Mr. Richie will KISS A PIG! You heard right, A PIG!!!
