Dear EDUPRIZE family,

I am thrilled to share with you that Mr. Bryce Solberg will be returning to EDUPRIZE as your new Principal for the 2016-2017 school year. I am confident that he will seamlessly take the reins and lead you forward. I have decided to retire at the end of this school year, but am so thankful for my nine years as Principal of EDUPRIZE QC and the community we have built together. I will be working collaboratively with Mr. Solberg as we make this transition. It was a difficult decision, but I know that you are in good hands with Mr. Solberg and Mr. Nauta.

Are you having a difficult time fitting in your volunteer hours? Spring Spectacular is just around the corner and we need LOTS of volunteers. There are many man-hours that go into this wonderful evening. Any time that you can give would be greatly appreciated. Please let PTN know your availability and what you would be interested in. Many hours are available before, during and after the event. Mark your calendars for April 29th and plan on being part of the team.

**Weekly Geography Riddle:**

I'm part of a landmass—a point of land.
In the Atlantic Ocean, I take my stand.
I'm part of a continent—on the southern tip.
Around my point, there's been many a trip.
I'm in the Southern Hemisphere; I form a False Bay.
I just out in the ocean—I'm in a sailor's way!

What am I?

(Students can submit answers by visiting the submission boxes at the front desk of building 1 and building 2)

Last week’s answer: Delta: Mississippi Delta

**AZMERIT STATE STANDARDIZED TESTING**

Parents—Did you know?

AzMERIT/AIMS testing will take place when we return from Spring Break. Testing will begin Wednesday, March 30th and end Tuesday, April 5th. Students in grades 3rd–8th will take reading, writing, and math. Students in grades 4th and 8th will also take a science test. Please schedule appointments after this important block of time. Our school will use the information gathered from these assessments to evaluate our programs and instructional practices.
