

Parents of currently enrolled students (especially 6th graders) should validate the immunization status through Family Link for all vaccines required by the AZ Dept. of Health. For your convenience, an immunization schedule is provided. Take the necessary steps to bring your student's vaccines into compliance. It is imperative that updated records are submitted to the health office as soon as the student receives required vaccines. AZ law states students must be up to date on immunizations for school attendance. For questions contact Jonna Wilhelm, M.A. at Jonna.wilhelm@eduprizeschools.net @ (480)888-1610, Ext. 1452.
