THE INSIDE SCOOP WITH MR. SWAN

Over the past few weeks, our teachers have been working diligently on student placement for the 2017-2018 school year. Please know that we place every student with the utmost care. This arduous process ensures that, to best of our ability, your child is placed in an environment that fosters excellence and growth. These decisions are made with love and are guided by our steadfast goal of providing a well-balanced learning environment for all. When receiving specific teacher-placement information in early July, please keep the following in mind (1) All EDUPRIZE teachers are amazing! (2) Your child's placement is done with great care and thought. So please rest easy and be assured that your child is in good hands next year.

Please keep in mind medications/supplies will need to be picked up on or before the last day of school. If your child does not need the medication in the health office any longer, you may want to pick it up sooner so you don't forget. If you will not be in town on the last day of school, please give the Health Office a call to set up at time for the medication to be picked up.
