EDUPRIZE MISSION STATEMENT

The EDUPRIZE mission is to provide educational excellence to our community of learners through the use of project-based, multiple modality instruction, and a strong differentiated curriculum. Students will exceed grade level standards and grow to be global citizens in an academically rigorous environment where both leadership and collaboration are stressed. Students will acquire depth of knowledge and problem-solving skills through our interdisciplinary, thematic approach to applied learning. Students will excel in the Arts, and expand their minds through the use of innovative technologies and our science-based instruction. Through our Socratic method and 100% engagement, students will become effective communicators and leaders empowered to establish a sense of community, service to others, and a love of learning.

A General Description of Activities and Programs: See Attached Exhibit A

Liability Insurance Required by R9-5-308 Description: EDUPRIZE has the General Facility Liability Insurance as required. EDUPRIZE does not use any school owned vehicles for Pre-K therefore does not require motor vehicle insurance coverage. EDUPRIZE does not carry individual student accident insurance and parents are encouraged to purchase plans that are very modest and available from Bollinger Specialty Group. EDUPRIZE will provide a copy of proof of insurance to the AZ Dept. of Health at any time that the license of coverage expires, is canceled or changes.

Medication Administration Procedures: EDUPRIZE employs Registered Nurses on campus during all hours of operation. The nurses administer all medications per doctor's written directives and per prescription for Pre-K students. By using a nurse's office for the administration of medication only one designated staff member is responsible for the duties of dispensing meds. Written consent to medicate forms signed by the parent/guardian are kept on file in the nurse's office. The forms include student name, name of medication, dosages, method of administration, timeline for medication, frequency, reason for medication, and signature of parent and date as well as signature of nurse and date. Injections are administered under the guidelines of A.R.S. §§ 32-1421 (A) (1) and 32-1631 (2). Unused portions of medications shall be returned to parents if the child no longer requires them or withdraws from the school. (See attached Exhibit B)

Accident and Emergency Procedures: EDUPRIZE employs Registered Nurses on campus during all hours of operation. First Aid Kits that meet the minimum requirements are available in the Pre-K area and are accessible to staff but not accessible to the students. Should a student require treatment on campus, based on evaluation of the on-site nurse, the parent/guardian designated on the emergency card, shall be notified within 30 minutes of the incident with a description of the incident. A record of the incident shall be recorded that includes a description, date, time, location and the method used to notify the parent and the time they were notified. Documentation of incidents shall be kept on file on site for a minimum of 12 months after the date of the child's disenrollment.

Inspection Reports: Reports of all inspections required by law are available on-site.

Arizona Department of Health: EDUPRIZE School is regulated by the AZ Department of Health Office located at

Arizona Department of Health Services
150 N. 18th Ave.
Phoenix, AZ 85007
602-364-2539

Pesticide Notification: EDUPRIZE post notices of pesticide application at the front door of the building a minimum of 48 hours before application of pesticides. The notice includes the date and time of the application. This service is always done on Saturdays. A log is kept of each visit in the business office and the brand, concentration, rate of application and any use restrictions are posted in the lobby. The MSDS sheet is maintained in the log book for pesticide. The binder for pesticides also has the name of the company that provides the service along with a copy of the business license of the licensed applicator.

Parental Access: Parents/legal guardians have access to the areas on the EDUPRIZE campus where their children are taught in Pre-K.

Age-Appropriate Discipline Guidelines and Methods: The Pre-K program follows the guidelines and discipline policies for EDUPRIZE SCHOOL. See Exhibit C for details.
