

Dear First Grade Families,

I am *thrilled* to meet your child and will be filled with magical wonder and

My husband, Gene, and I have two amazing teenage boys, Matthew and Michael. Together, we enjoy traveling and when the weather is nice, we especially like hiking, biking, and playing Frisbee at the park with our Lab, Sedona. This will be my 10th year teaching first grade at EDUPRIZE!

We'll begin the school year by becoming a classroom family, which will be accomplished by making decisions together and building character. Your child will be treated with respect and LOVED every day he/she is in school. I'll embrace the uniqueness of every child in our class family, and have high expectations as we continue the lifelong journey of learning. Besides working to create a respectful and caring environment, we'll also enjoy learning through the following cottages: **Sweet Shop**, **Plymouth Plantation**, **Mineral Market**, and **Bird House**. A very exciting year of learning awaits us!

Please plan to attend our **VIRTUAL OPEN HOUSE** on Monday, July 20th. I will be sending you additional information by email. You'll receive carpool information prior to our campus re-opening. Feel free to send an email to me in advance with any special concerns you may have regarding your child and the upcoming year. The first day of school is Wednesday, July 22nd, 2020. **All students must participate in the online virtual meeting with me on 7/22 to be considered enrolled at EDUPRIZE.**

Once campus opens, I will meet students each morning on the basketball court (at the #9) and lead them inside to the classroom (Room 9, Bldg. 1). Students should be ready to line up *five minutes prior* to our start time. I'm anxious to begin our partnership in your child's education.

With us working together, your child will SOAR!

Visit our website at www.eduprizeschools.net for any changes in schedules and also to fill out and submit the open house documents.

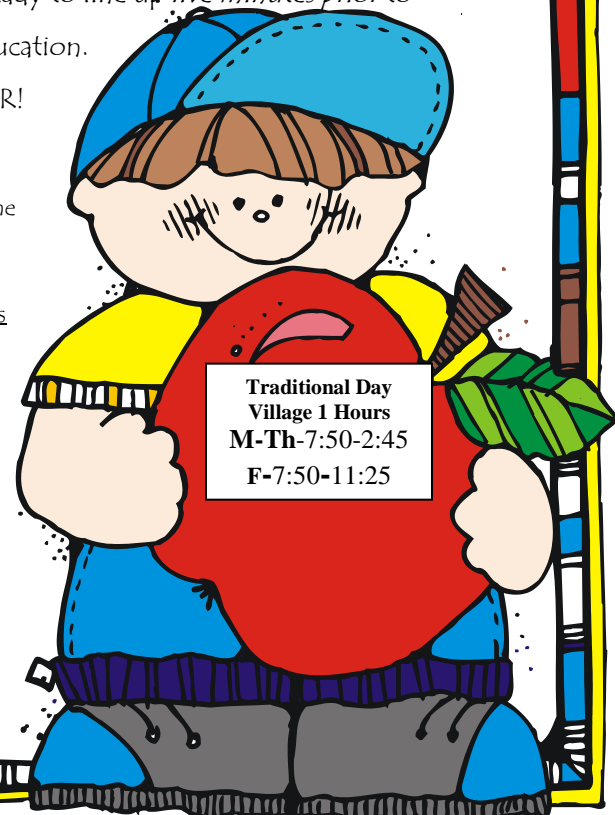

Also, please use the following link [Slattery's Forms](#) to tell me more about your child. Thank you! ©
