

The Real Deal about Third Grade

It's that time of the year again... SCHOOL'S IN! I am so excited to start our amazing school year in our super 3rd grade class.

I would like to take this time to introduce myself. I graduated from Northern Arizona University with my Bachelors in Elementary Education in 2013 and received my Master's in Applied Behavior Analysis, in 2018. This is my eighth-year teaching and I am thrilled that this is my eighth year here at EDUPRIZE. I did my student teaching at EDUPRIZE and have fallen in love with this school.

I believe that the two most important aspects in our classroom are the relationships that we build and the classroom environment. We will take the beginning of the year to build those relationships and get to know each other. I want all of my students to feel comfortable with not just me, but also with their peers.

This year will bring many new concepts, and I am looking forward to teaching them to you. We will explore the Common Core Standards with our great Cottages: Exploration Station, Desert Lab, Plant Nursery, and Aquarium.

My classroom is in **Building 1, Room #39**. I am looking forward to meeting you at Virtual Open House on Monday, July 20th. I will be emailing additional information to you. Info about where to line up and dismissal/carpool information will be communicated to you prior to our campus reopening.

All Open House documents will be online this year. While online, please complete and submit the Open House forms. I will also be collecting \$10.00 cash or check made out to EDUPRIZE for Planners Plus (organizational tools and supplemental materials).

****IMPORTANT: In order to save time at Open House, please click on the following link and complete the questionnaire giving me more information about your child and family. [Ms. Hope's Open House Forms](#)**

The first day of school is Wednesday, July 22nd, 2020. All students must participate in the online virtual meeting with me on 7/22 to be considered enrolled at EDUPRIZE. Once our campus reopens, I will meet you outside at 10:35 a.m. Our PM TOPS schedule is Monday –Friday 10:40-3:40. Students should be on campus, ready to line up five minutes prior to the start time.

Once again, I am looking forward to meeting this amazing third grade class as we discover and explore with a positive attitude. Please keep checking our website www.eduprizeschools.net for any schedule changes.

Your teacher,
Ms. Arielle Hope
arielle.hope@eduprizeschools.net
