

## WELCOME TO THE THIRD GRADE!

I am so excited to be starting this new school year! Allow me to introduce myself. In 2015, I graduated from Arizona State University with a BA in Elementary Education. Since then, I've taught both first and third grade and loved every minute! This is my sixth year teaching, and I am honored to be returning to EDUPRIZE once again. It is going to be a fabulous year!

Third grade is an incredible year of growth and development. Together we will be exploring new concepts (such as multiplication and division), as well as strengthening old concepts (such as answering questions about a passage). Our cottages this year will be Exploration Station, Desert Lab, Plant Nursery, and Aquarium. In my class, I have a very strong focus on working together as a team to accomplish our goals. This way we can learn and grow together on this fabulous journey we call third grade.

My class is in building 1, room 21. Virtual Open House is Monday, July 20<sup>th</sup>. I will be emailing additional information to you. There are a few things you will need to prepare for Open House. First, fill out this [Google Form](#) with student information. You will also need to complete and submit the EDUPRIZE Open House documents from the Welcome Back page of the EDUPRIZE website. In addition, please purchase the student supplies listed on the next page. Information about line-up and carpool will be distributed prior to our campus reopening.

**The first day of school will be Wednesday, July 22<sup>nd</sup>, 2020. All students must participate in the online virtual meeting with me on 7/22 to be considered enrolled at EDUPRIZE.** Our class is Village 2, and our schedule is as follows: Monday – Thursday, 8:00 am to 3:00 pm, Friday, 8:00 am to 11:40 am once we return to campus. Please make sure your child is ready to line up 5 minutes prior to start time. Please keep checking our website [www.eduprizeschools.net](http://www.eduprizeschools.net) for any possible schedule changes.

See you at Open House!

**Ms. Sezate**
