

# Welcome to Kindergarten!

Welcome to an exciting year in room 34 (Building 1)! My name is Cheryl Phillips. I am a graduate of Ottawa University, with a Bachelor's degree in the field of Early Childhood Education. I am excited to complete my Master's Degree this year in Educational Leadership. I have taught at EDUPRIZE for 5 wonderful years! I really enjoy my home with the EDUPRIZE family.

When I am not engaging in my passion for teaching here at EDUPRIZE, I love spending time with my family. I am a blessed mother of four beautiful children. I have three daughters that are 17, 20, and 22 years old, and a son that is 11 years old.

Kindergarten is a very special year, and I am here to help each child succeed. It is my hope that each child leaves this school year not only with academic knowledge, but a true love for learning and their school community. I would love for each child to have a love for reading, and become supreme mathematicians and problem solvers. It is such a blessing to see these timid writers become confident amazing authors by year's end!

In addition to the academics our goal for the students here at EDUPRIZE is to have the students firm in the foundations of the Six Pillars of Character: Trustworthiness, Respect, Responsibility, Caring, Fairness, and Citizenship. I am confident that with a partnership at home and school we will not only achieve, but exceed our goals! Please participate in our Virtual Open House on Monday, July 20th. Open House will give you an opportunity to meet me and ask questions. Additional details and sign up information will be emailed to you. Please continue to check our website at [eduprizeschools.net](http://eduprizeschools.net) for any changes or updates to schedules. While online, please fill in the Open House/Emergency Documents and submit them electronically.

We have a stimulating year ahead of us! Together we will enjoy the following cottages:
