Welcome to EDUPRIZE Kindergarten! My name is Becky Moon, and I am so excited to work with you and your child this year! This is my seventh-year teaching kindergarten at EDUPRIZE. I have also taught 1st through 6th grades in Mesa Public Schools. I have a Bachelor's Degree in Elementary Education and a Master's Degree in Early Childhood Education both from Arizona State University. My husband and I live in Gilbert with our four children who also attend EDUPRIZE.

Kindergarten is such a wonderful time in your child's life! You will be amazed at how much your child will learn and grow this year! Kindergarten is the foundation for all future schooling. For this reason, I believe that it is important to create a love for learning that will carry on through the years. Working together, we will create a warm and caring classroom community filled with activities that make learning fun!

Our Cottages for this year are:

Quarter 1-All About Me Quarter 2-Holiday Traditions Quarter 3-Habitats Quarter 4-Life Cycles
