Welcome to the team! I was born and raised in Arizona, and I love traveling and spending time with family and friends. I graduated from Arizona State University in 2016. I have taught 5th and 4th grade. This will be my fourth year in 4th grade! In my spare time, I enjoy inspiring other educators around the world to implement the methods I use in my classroom through social media. You can get a glimpse at my teaching style on Instagram (@TeachWithSparkle).

I look forward to a year jam-packed with all kinds of exciting adventures in reading, writing, math, and cottages. This year our cottages will include: Reptile Ranch, Conservation Plantation, Arizona Highways, and Grand Canyon Marketplace.

Teaching has always been my passion and I put my whole heart into every single day in the classroom. I heavily focus on building a safe and positive classroom community. My classroom is a very high-energy place where students uplift each other, work together as a team, and become the champions I know they are. My ultimate mission is to instill a love for learning in my students so that they become life long learners! Please know that when your child walks into this classroom they are safe, cared for and capable of the extremely high expectations that will be set for them.

I look forward to an incredible year with you and your champion!

Sincerely,
Miss Salcido
