

Welcome to second grade!! My name is Kelly Runyon and I am so excited to be your AM TOPS teacher for the 2021-2022 school year. I have taught at **EDUPRIZE** for 17 *wonderful years!* I really enjoy my home with the **EDUPRIZE** family. I am absolutely thrilled about the upcoming school year! Click [here](#) to learn more about Ms. Runyon!

Open House is right around the corner so be prepared to meet me and your classmates, bring in school supplies, get carpool information, and pick up and sign important papers. To get ready for our upcoming Open House please complete and print the Open House Forms on our school website, which include Emergency Documents, and bring them with you to Open House. Also, to save time at Open House, please complete [this](#) form before arrival. If you are unable to make it during our designated time, I will still be available from 8:00-4:00 on July 19th. Please check the website (www.eduprizeschools.net) regularly for any additional information.

We have so many fun things to learn about this year! Included in that learning are our four Cottages; **Sweet Shop**, **Global Exchange**, **Weather Station**, and **Dino Dig**. I can't wait to teach you all of this exciting information!

Parents will also have the opportunity to participate in our exciting year! Parent helpers may work with small groups and individual students, prepare activities, help with art and cottage projects, grade papers, make copies, and much more. It is always a blessing to have such wonderful parents who help make our learning experience more intriguing.

Please see below for a supply list and bring the supplies to our **Open House on Monday, July 19th**. This is a great time to drop off your child's supplies instead of having to juggle them on the first day of school. Please note we will not have shared supplies, which makes it extra important that your child is prepared with his/her supplies.

I can't wait to meet you at Open House and to spend this year together!

♥ Ms. Runyon
