

Welcome to Ms. Hope's 3rd Grade Class!

A Little About Ms. Hope

Hello, I am Arielle Hope.
This is my ninth year teaching and I am thrilled that this is also my ninth year here at EDUPRIZE. I did my student teaching at EDUPRIZE and have fallen in love with our school.
I graduated from Northern Arizona University with my Bachelor's in Elementary Education in 2013 and received my Master's in Applied Behavior Analysis in 2018.

The Real Deal about the 3rd Grade

It's that time of the year again... SCHOOL'S IN! I am so excited to start our amazing school year in our super 3rd grade class. I believe that the two most important aspects in our classroom are the relationships that we build and the classroom environment. We will take the beginning of the year to build those relationships and get to know each other. I want all of my students to feel comfortable with not just me, but also with their peers.
