

Dear Students and Parents,

Welcome to 4th grade AM TOPS at EDUPRIZE! Hi, my name is Mrs. Langoni and I will be your teacher this year! A few things to know about me: I was born and raised in the Valley of the Sun and just like you, I was an EDUPRIZE student. I am married to a wonderful man named J.T. and we live in Mesa with our almost two year old daughter, Penny. You can usually find the three of us trying new restaurants, working in our garden, hanging out with family, traveling, cooking and watching football (go Cards!). This will be my ninth year teaching! I taught four years in fifth grade and four years in sixth grade. I am super excited to be YOUR fourth grade teacher this year!

In fourth grade, our cottages will be: Energy Lab, Reptile Ranch, Grand Canyon Marketplace and Exploration Station.

I have an Amazon wish list with items that would be beneficial to our classroom. If you would like to donate any of these extra supplies, it would be greatly appreciated!

The supply list has been reviewed thoroughly in an effort to make it manageable for everyone. The supplies listed above are a good indication of what each child will use throughout the year. My desire is that you are able to purchase these supplies on sale. Please feel free to join forces with someone else in our class to purchase the items in bulk.

The school year goes quite smoothly when these supplies are on hand and readily available. Please contribute what you can now. If more supplies are needed later in the year they will be announced in newsletters. As always, thank you for your continued support!
