

Dear Students and Parents,

Welcome to a great, upcoming 6th grade school year at EDUPRIZE! You have been assigned **Ms. Rogers** as your **homerom teacher**. Mrs. Turner and I are excited for the opportunity to get to know you and your families. First, we would like for you to know a little bit about us!

Ms. Rogers: I am so excited to be moving to 6th grade where I will be teaching math, science, and writing. You will be my 24th class at EDUPRIZE! I grew up in Gilbert, and now own a house in Mesa. Besides teaching, I love being the “favorite aunt” to my 25 nieces and nephews, quilting, riding my bike, and creating fabulous crafts with my Cricut. When I am not teaching, I am the director of a musical theatre program. I look forward to being part of the 6th grade community at EDUPRIZE, and I look forward to working with you and Mrs. Turner!

Mrs. Turner (Gorman): I will be teaching reading and social studies. Born and raised right here in the great state of Arizona, I am a huge D-Backs fan, an NAU graduate, and world traveler. I love spending time with my family (especially outdoors)! My husband, Brent, and I welcomed our first child this past March. Flynn is the light of our lives and growing up so quickly! Our goldendoodle, Daffee, loves to give him kisses! I believe that children learn in an environment that thrives when a child’s individuality is cared for and a community is built upon each child’s respect for one another. This is going to be a tremendous year!

This year our cottages will be **Atomic Avenue, Rainforest, Observatory, and Imperial Highway**. We are going to have so much fun learning and exploring through these exciting cottages and STEM activities. We have high expectations for our students. We expect them to be responsible and show good character to their teachers and peers. We like to make learning fun, and this happens when students are responsible, prepared, respectful, and motivated to learn! We are excited to have parent helpers in our classroom and will begin utilizing their help after the first week or so of school.

Below, you will find our supply list. If possible, please purchase your items prior to the first day of school. At Open House, students will meet their teachers, see their classrooms, pick up important papers, and drop off supplies. Open House is from 8:00-4:00, our specific time is listed in the box below. **Prior to Open House, please complete and submit the Open House Forms on the “Welcome Back” page of our school website.** Fill out this [survey](#) prior to Open House.

We are excited to start our journey together this year and know that it will be a wonderful year for our sixth graders. There is so much to learn, and it will be our honor to be your teachers! Enjoy the rest of your summer, and we will see you soon!
