

Dear Students,

Welcome to the 2021-2022 school year at EDUPRIZE! We are so excited for the opportunity to get to know our new students and their families. You have been assigned to the Staggs/Mailhot cohort! While you will have both teachers, **Mrs. Staggs** will be your **homeroom teacher**.

Each year, we break our science class into 4 distinctive cottages. This year, our cottage themes will be Atomic Avenue, Rainforest, Observatory, and Imperial Highway.

Below you will find the important information regarding our open house (Monday, July 19th) and our supplies list. This year we are also including a specialist list. Please bring both sets of items to school during our open house.

While we are excited to meet you- we are sure that you will be excited to meet us as well. Here is some information about us!

Mrs. Staggs: I will be your teacher for Reading, Writing, and Social Studies this year! This is my 4th year here at EDUPRIZE and my 7th year overall. I received my Bachelor's Degree in Business Analysis and Finance, and worked in that field for 12 years before getting my Master's in Education degree and pursuing my dream of being a teacher! I have a wonderful husband, two dogs, one cat, and two amazing kids who attend school here as well. Emma is going into 6th grade and Scott is starting 11th grade this year. I am so excited to be a part of this journey with you and know that we are going to do awesome things together this year!

Ms. Mailhot: I am so excited to be your teacher for Math and Cottage this year! I graduated from Northern Arizona University and received my Bachelor's Degree in Elementary Education. I had the wonderful opportunity to complete my student teaching here at EDUPRIZE last spring and I am overjoyed to be teaching sixth grade. By nature, I am a very creative person and I absolutely love art. I've been doing ceramics and digital art for about five years and hope to incorporate some fun, creative activities within our learning environment. I look forward to having a creative and hands-on learning experience this year!
