

Hi Parents,

Welcome back to the 2021 - 2022 school year. I'm excited to be a part of the Eduprize Gilbert Team as the Elementary School Nurse. I was hired last year during the 4th quarter and thoroughly enjoyed meeting and helping a number of your children.

I have enjoyed working as a nurse for 39 years...yes, that means I am a "seasoned nurse" :0). I have always had a soft spot in my heart for children so I am thrilled to get to serve as one of the school nurses. An extra bonus for me is that 2 of my 6 grandchildren attend Eduprize Gilbert so I get the added blessing of getting to see them on campus while at work.

One of my goals as school nurse is to help your children feel safe and well cared for when they visit the health office, and then when possible, get them back into their classroom so they can continue to learn and thrive at school.

Some fun facts about me : My husband and I have been married for 38 years, and have lived in Mesa since 1995. We have three grown children, six grandchildren and 1 dog. My favorite hobbies are birding and "glamping" in our 5th wheel.

I believe in good communication with parents so please feel free to contact me in the health office, Bld 1 if you have any questions or concerns regarding the care of your child.

Lyndi Voelker BSN
Elementary School Nurse
