

## Ms. Sherman

Hello. I would like to introduce myself to those of you who may not already know me. I have been at EDUPRIZE, Gilbert for 5 years, but have been in education my entire career. I am a certified Special Education teacher (M.Ed in Special Education), Early Childhood Special Education teacher (BA in Early Childhood Special Education), and possess a Reading Specialist endorsement from the state of Arizona. In my personal life, I rescue cats and dogs, and take care of Native American Foster children from local tribes. I also have 2 grandchildren who live in California. My philosophy is that every child is a precious commodity and that every child can learn. My job is to find the best way to help your child learn. Please be my partner!
