Academic Programs ~ Choose AM or PM

AM TOPS 7:15 AM—12:10 PM ~OR~ PM TOPS 10:40 AM—3:30 PM

This is the same great TOPS program that our families have come to know and love! This program has the same EDUPRIZE curriculum and methodology that is so acclaimed. All TOPS classes have access to iPads and Chromebooks that are used as a curriculum-enhancing teaching tool. TOPS also features specials daily! We strongly recommend our TOPS Program, as we believe that the five hour experience is most age-appropriate for Kindergartners. Students will have the opportunity to snack in the classroom and also at recess.

Extracurricular Programs if preferring a longer day~~ Choose Plus or Extended

We have extracurricular program options available to Kindergarten students. This is in addition to their five hour academic day in the classroom. These programs are offered to accommodate your family's schedule.

- Students must adhere to school policy in order to participate in the PLUS or Extended program option.

The AM/PM PLUS and AM Extended programs feature a full lunch/recess period as well as actively participating in a variety of sports and Kindergarten Enrichment activities.

PLUS Program This program is available to those families that prefer a longer day. (See schedule below)

Extended Program This program is available to those families that need a full day of school and/or have older siblings that are enrolled in a Traditional full day schedule. This schedule will allow your child to be held until their older sibling dismisses. (See schedule below)

Program Schedules

All payments are non-refundable and non-transferrable due to their qualification as an ECA allowable tax credit.
