Hello! My name is Mrs. Kurko and I am very excited to be your child's math & cottage teacher! This will be my 9th year teaching 6th grade, & my 12th year at EDUPRIZE. I am originally from San Jose, CA, then lived in San Diego for 11 years. I have been in AZ for 18 years. I am an alumni from San Diego State University with a bachelor's degree in Elementary Education. I have been married to my husband Patrick for 27 years, and we have three children. Maddy is 22, Gavin is 18 and a freshman at ASU, and Max is 14 and in 9th grade at Crismon High School. All three of my children went to EDUPRIZE!
