

Welcome Fabulous EDUPRIZE Families,

My name is Debbie Decker and I am so happy that I will be your child's online teacher this year! This is my 25th year of teaching and 11th year at EDUPRIZE! I was an online teacher with my first grade class for the 2020-21 school year and it was so much fun! This year I will be teaching 1st and 2nd grade (multi-age), as well as 3rd grade. There will be occasional times when we are all together (holidays and celebrations). It will be such an exciting and full year of learning!

Together we will enjoy the following Cottages:

**Bird House, Weather Station, Desert Lab, and Plant Nursery**

I look forward to meeting you and beginning this new school year together. Open House will be via Zoom on **Monday, July 18th**. I will send you the link prior to that date. There will be a contract again this year, outlining the requirements of online students (amount of time spent on classwork, homework, etc.). If you have any special concerns regarding your child, please contact me by email. I will respond as soon as possible. I love having open communication and believe it is one of the keys to a successful and enjoyable school year!
