You excel. You serve. You lead. You succeed. You have a true thirst for challenge ... and accomplishment. Membership in the National Honor Society (NHS) may be an ideal fit for you! You can become a member through our EDURPIZE selection process that concludes with induction into the school's National Honor Society chapter.

Through exclusive resources, programs, and services, you'll have a unique opportunity to prepare for college and career pursuits. Membership truly lays the groundwork for lifelong success.

Eligibility Requirements

Students in grades 10–12 who meet the requirements for membership outlined in EDUPRIZE'S chapter are eligible to be invited for membership. Qualifications for membership, are based on the four pillars of NHS:

- **Scholarship**
Per national guidelines, at a minimum, students must have a cumulative GPA of 3.4 on a 4.0 scale or equivalent standard of excellence.
- **Service**
This involves voluntary contributions made by a student to the school or community, done without compensation.
- **Leadership**
Student leaders are those who are resourceful, good problem solvers, and idea contributors. Leadership experiences can be drawn from school or community activities while working with or for others.
- **Character**
The student of good character is cooperative; demonstrates high standards of honesty and reliability; shows courtesy, concern, and respect for others; and generally maintains a clean disciplinary record.

Students who meet the scholarship requirement will have an opportunity to complete a form detailing their accomplishments and commitment to service, leadership, and character. Applications will be handed out at the beginning of next week.

Students who accept membership and are inducted into the chapter should be aware of the time and commitment involved with this honor. Once inducted, members are expected to participate in NHS projects, as well as always conduct themselves as model students.

Responsibilities for Hours- Students will need to acquire 50 hours for the year!
