

Dear First Grade Families,

Welcome to both new & returning families! My name is Tami Slattery and I am thrilled to be your child's teacher this year! This will be my 13th year teaching first grade at EDUPRIZE! My husband and I have two amazing young adult sons who are both former EDUPRIZE students! Together, we enjoy traveling and when the weather is nice, we especially like being outdoors hiking, biking, and kayaking.

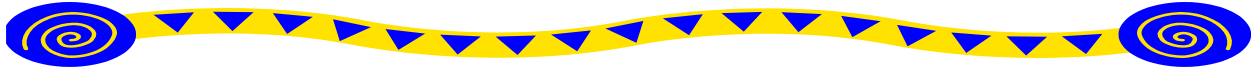

First Grade will be filled with magical wonder and incredible growth for your *little star!* It will be a wonderful year of learning & growing academically, socially, and emotionally. We'll begin the school year by becoming a classroom family, which will be accomplished by making decisions together and building character. Your child will be treated with respect and LOVED every day he/she is in school. I'll embrace the uniqueness of every child in our class family, and have high expectations as we continue the lifelong journey of learning. Besides working to create a respectful and caring environment, we'll also enjoy learning through the following cottages: Wavelength Arcade, Plymouth Plantation, Resource Resort, and Bird House. A very exciting year of learning awaits us, and I look forward to working as partners in your child's education. Your child will SOAR!

Use the following link [Mrs. Slattery's Questionnaire](#) to tell me more about your child and any special concerns you may have in regard to the upcoming school year. *Also, continue to check our website for any changes to schedules, etc.* For your convenience, supplies may be brought to Open House. See the table below for our class's recommended time. Please send me an email if you're unable to attend. I look forward to seeing you soon!

Fondly,

Tami Slattery
