

Dear Parents and Students,

Welcome to a great, upcoming school year in 4th grade at EDUPRIZE! My name is Ms. Schott and I will be your 4th grade (Regular Day) teacher for the 2023-2024 school year.

Here is a little bit about me! I was born and raised in Tucson, Arizona, but moved to the Gilbert area to attend Arizona State University (ASU). In May of 2019, I graduated Summa Cum Laude from ASU with a Bachelor of Arts in Elementary Education – STEM. In addition, I also graduated from Barrett, the Honors College at ASU. I have been fortunate enough to be part of the EDUPRIZE family for 5 years now and am excited to meet my new family of fourth graders! Outside of school, I enjoy staying active, baking, cooking, and hanging out with friends and family. Now that you know a little bit about me, I can't wait to get to know all of my students and their families!

We have some incredible Cottages in 4th grade: *Energy Lab, Reptile Ranch, Grand Canyon Marketplace, and Exploration Station*. You will learn all about these four topics through our interactive science curriculum.
