

Dear Parents and Students,

My name is Erin Curry and I will be your child's teacher this year! I am looking forward to a fun 4th grade year! Please email me this summer with the following information: parent/guardian's name(s), your child's first and last name, any allergies they may have, and their birthday.

Here is a little about me: I grew up in Chandler, Arizona where I attended and graduated from Hamilton High School in 2011. I went to Fort Lewis College where I played basketball for four years and graduated with a Bachelor's degree in Elementary Education. This will be my seventh year of teaching, but my fifth year here at EDUPRIZE. I love teaching, and am so excited to get to know you and your child!

One thing that I am very eager to get started with this year are our Cottages. We will have 4 nine-week Cottages where the students will be able to interact with hands-on experiences regarding our Science and Social Studies standards. The first one that we will be exploring is called Energy Lab. Students will learn all about magnetism, static electricity, solar power, and more! The other Cottages that the kids will visit are Reptile Ranch, Grand Canyon Marketplace, and Exploration Station.

Our Open House is Monday, July 17th. The suggested time to meet is 11:30 A.M.-12:15 P.M. in room 31, but I will be available throughout the day. This day will give your child the opportunity to see their classroom, meet their teacher, meet some of the classmates that they will be with throughout the year, pick up carpool information, and drop off your school supplies. On the next page, you will see school supplies your child will need.

The first day of school is Wednesday, July 19th, 2023. **For students to be considered enrolled at EDUPRIZE, they must be present for the full day.** On Monday-Thursday, the school day starts at 8:00 A.M and ends at 2:40 P.M. Every Friday the school day will start at 8:00 A.M and end at 11:25 A.M. Please have students here promptly at 7:55 A.M. in order to be on time for class. I am looking forward to this fun-filled school year! If you have questions or concerns, please do not hesitate to contact me. I will be keeping you posted about all of the learning opportunities and parent involvement activities through emails and newsletters throughout the school year. I hope you enjoy the rest of your break and I look forward to meeting you soon!

Sincerely,

Erin Curry
