

# welcome to KINDERGARTEN

Welcome to Miss Enfield's PM Kindergarten Class!

My name is Kayla Enfield and I am ecstatic to be your child's teacher this school year! The start of school is a special time in a young person's life, and I am honored and thrilled to have your child in my kindergarten class. This school year is going to be a great one filled with adventures, friendships, learning, and growth both emotionally and academically. I can't wait to kick off this school year with you!

I graduated from Northern Arizona University with my Bachelors of Science in Elementary Education. This will be my third year working with elementary school students. EDUPRIZE holds a special place in my heart, as I was a student here from Kindergarten through Eighth grade. I am overjoyed to be teaching at the school that taught me so much and helped me become the person and educator I am today.

Outside of school, I enjoy spending time with my family, friends, and my two dogs! I have a German Shepherd named Eros and a French Bulldog name Lyle! Going on adventures and exploring the outdoors with my pups is one of my favorite things to do! I also love to bake sweet treats when I have free time!

Over the course of this school year, I will do everything I can to give your child the best kindergarten experience possible. Not only will we discover new skills in reading, writing, and math, we will also develop science and social studies skills through our kinder cottages! First, we will celebrate ourselves, and our kindergarten friends. We will learn about our families, our pets, our school, and our community. We will also learn about celebrations around the world, habitats, and life cycles. We will even get to observe some life cycles right in our classroom! It is going to be such a fun year!

Our first opportunity to meet will be at our informal Kindergarten Open House on Friday, July 14, 2023 from 3:30-4:30 p.m. You will get a chance to meet me, see our classroom, and get your child accustomed to this upcoming adventure. This will also be a great opportunity for you to get familiarized with the classroom and meet fellow classmates. You are welcome to bring your child anytime during this period. **Please bring all suggested supplies to the Open House so that I can be ready for your child on the first day of school.** I can't wait to meet you!

The first day of school is Wednesday, July 19, 2023. Your child must be on time and present for the entire day to ensure enrollment at EDUPRIZE. School begins at 10:40 a.m. and ends at 3:30 p.m. All kindergarten students will line up outside by the kindergarten playground. Please be in line and ready to start each school day by 10:35 a.m.

I look forward to getting to know you and your family very soon!
