Mrs. Kilgore

Happy new school year! I'm Tiffany Kilgore and I will be one of your teachers this year. I will be teaching Writing, Social Studies and Cottage. I was born and raised in Arizona. I've lived all over, but I always seem to come home. This will be my third year teaching at EDUPRIZE and my second year teaching 5th grade, which I am very excited about! I have a Master's of Science in Aeronautics and I can't wait to apply my knowledge of scientific theories in class. My husband, Joe, and I have three kiddos that will be in 4th, 2nd, and 1st this year. I'm looking forward to a fun year with you!

Welcome Back! My name is Lauren Falconburg and I will be one of your child's teachers this year. I will be teaching your child English Language Arts. Mrs. Fry

My name is Cynthia Fry and I am so incredibly lucky to be the 5th grade writing and math teacher this year! We are going to learn about so many things this year and have a lot of fun together. I was born and raised in Chandler, Arizona. My three dogs and three cats like it when I lounge around with them. I received a bachelor's degree in business management and a master's degree in education from Grand Canyon University. I started as a reading teacher for Kinder through 4th grade and quickly added more grades to include all K-8. I missed being in a regular classroom and started out in 5th grade. This age is so incredibly fun and my favorite group to work with.
