

WELCOME, 2ND GRADE SUPERSTARS!

Hello, families and friends! My name is Mrs. Lorine Fernando and I am elated to be your little's teacher for this upcoming school year. This is my 11th year of teaching, but my 1st year with Eduprize! I cannot wait to meet each of you and team up as we begin this 2023-2024 school year. I believe that each child whose name is on my roster is meant to be in my care. I am honored to be your child's friend, mentor, leader, and educator.

I would love to share some 'Fun Fernando Facts'! To start, I am 32 years old and have been in Arizona for the last 11 years. I was raised in Oregon my whole life and am the middle of 5 kids. I graduated from Oregon State University and met my husband while at OSU. He played college football and I ran cross country so you could say we love our sports! Go Beavs! We have been married for nearly 10 years and have two beautiful children. Our sweet son will be starting Kindergarten at Eduprize and our darling daughter is in preschool. We love traveling, movie nights, and barbequing with friends and family. Though I miss Oregon's beauty, Arizona truly has become our home and has a beauty of its own! I have grown to love Arizona and all it has to offer. My parents moved to AZ last year and it has been a dream come true!

I am so excited to teach 2nd grade. I know that I am called to educate and advocate for your child. I create a classroom culture that is anchored in love, trust and a mutual respect. This school year, your little will be learning all about Math, Science, Reading and Writing. The cottages we will study are rotated quarterly. They are: Sweet Shop, Global Exchange, Weather Station and Dinosaur Dig. My classroom will consist of interactive lessons that are fun and full of daily opportunities to become a better scientist, mathematician, reader and writer. My classroom is my garden in a sense. I am the gardener and my students are the seeds. There will be physical, emotional, social and academic growth.

We will be having our Open House on Monday, July 17th between 10:30 A.M- 11:15 A.M. This day/time is designed for dropping off appropriate school forms, school supplies and of course a meet and greet in your new classroom. I will have my supply list on the next page as well as my updated weekly wishlist.

Our first day of school will be July 19th with 8:00 A.M.- 2:30 P.M. being the school hours. Please ensure your little one arrives on time and I will meet her/him outside at 7:55 A.M every morning. Every Friday we have Early Release. Please plan accordingly to pick your child up at 11:15 A.M.

Looking forward to an incredible year together! Please contact me with any questions, concerns, comments or celebrations at lorine.fernando@eduprizeschools.net. See you soon :o)

2nd GRADE
