

Meet the TEACHER

WELCOME to 3rd Grade!

My name is **Mrs. Ferris** and I will be your teacher this year. I hope everyone has enjoyed their summer and is ready for third grade. This will be my fifth year teaching third grade at Eduprize and every year has been so much fun! I look forward to getting to know each and every one of you. We will focus on being hard workers, creating a classroom family, and enjoying this adventure together.

A little information about me, my husband and I have two great kiddos Mikayla(15) and Ryan(14) who are the joy of our lives. I am an AZ native, a proud ASU graduate, and love all the outdoor adventures I can find! My family can usually be found paddleboarding on rivers and lakes, camping and taking our crazy dogs on hikes. If we are not on an adventure, I love to read a great book and spend time with our family and friends.
