Meet your teacher

Miss Hurrle

My name is Maddison Hurrle and I am excited to begin my 7th year at EDUPRIZE and my sixth year of teaching 5th grade! I spent one school year teaching music specials, which was SO much fun! I was born in California but have spent the majority of my life living in Arizona. I graduated from ASU with my Bachelor's Degree in Elementary Education alongside my childhood best friend who is also a teacher! I love to spend my free time with friends and family. I am a huge music lover (and a major Swiftie) and enjoy going to concerts and playing piano.

You can reach me at maddison.hurrle@eduprizeschools.net

Welcome 5th Grade Families!

I am so excited to meet you! My classroom is a very high-energy place where students uplift each other & work together as a team. Please know that when your child walks into this classroom they are safe, cared for and capable of the expectations that will be set for them. I look forward to an amazing year and seeing you at Open House!
