

Dear Students and Parents,

Welcome to a great, upcoming 6th grade school year at EDUPRIZE! You have been assigned **Ms. Jimison** as your **homeroom teacher**. **Mrs. Brown** and I are excited for the opportunity to get to know you and your families. First, here is a little bit of information to get to know us better.

Ms. Jimison: I am so excited to be teaching 6th grade this school year! This will be my 23rd year in education. My teaching journey started at EDUPRIZE many years ago. I will be teaching math and science as well as writing this year. I have lived most of my life in the Phoenix area and have traveled to more than half of the states in the United States. I am very close to my three daughters, my four grandsons, and every animal that is also a part of my family.

Mrs. Brown: I cannot wait to meet all of you in July! I will be teaching reading, social studies and writing. There is so much to know about our history! This is my 21st year teaching at EDUPRIZE, but I have been a member of the EDUPRIZE family for 27 years! I live in Chandler with my husband Jeff and our three fur babies, Simon, Peanut, and Annie. My children are grown - Michael lives in Mesa, and Christine and her husband Micah live in North Phoenix. I am blessed with many friends, and love to spend time with them as well as my extended family.

This year our cottages will be **Atomic Avenue**, **Rainforest**, **Observatory**, and **Imperial Highway**. We are going to have so much fun learning and exploring through these exciting cottages and STEAM activities. We have high expectations for our students. We expect them to be responsible and show good character to their teachers and peers. We like to make learning fun, and this happens when students are responsible, prepared, respectful, and motivated to learn! We are excited to have parent helpers in our classroom and will begin utilizing their help after the first week or so of school.

Below, you will find our supply list. If possible, please purchase your items prior to Open House. At Open House, students will meet their teachers, see their classrooms, pick up important papers, drop off supplies, and get information on carpool. We are excited to start our journey together this year and know that it will be a wonderful year for our sixth graders. There is so much to learn, and it will be our honor to be your teachers! Enjoy the rest of your summer, and we will see you soon!

Sincerely,

Ms. Jimison and Mrs. Brown
