

Aloha and Welcome to Kindergarten!

About Mrs. Soliven!

Welcome to an exciting school year filled with learning, adventure, and fun! My name is Gillian Soliven and I am so happy to say that I will be your Kindergarten teacher this year! This year marks my 11th year of being a teacher. I taught 2nd grade for 5 years and Kindergarten for the last 5 years- and I have loved every moment of it! I graduated from Arizona State University, but prior to that I spent my high school years in Maui, Hawaii. Some things that I absolutely enjoy are: spending time with my husband and our 3 beautiful children, going for walks to the park, reading a good book, or just practicing handstands! While I love all of these things, my most favorite thing is teaching and being in the classroom! I am SO excited to start our new school year and I am beyond happy that I get to have you in my classroom this year. We are going to have a wonderful time learning and exploring together! I can't wait! If you would like to "meet" me before you *meet* me, [please click this link here!](#)

Cottage!

We have so many things to look forward to this year, but a few of my favorites are our four Cottages. This year we will cooperatively learn and investigate the four Cottages of: **All About Me, Celebrations, Habitats**, as well as **Life Cycles**. I just can't wait to get started!

Open House!

Below you will find information about Open House, as well as our daily start and end time. Open house is a time where you will be able to meet your new classmates, explore your classroom, and be able to say a big hello to your new teacher, me! Although there is a suggested time, I will be available from 8:00-4:00 in case that time does not work for your family. At this time you will also be able to collect any important paperwork, dismissal information, and find out where we line up for our first day of school. Attached to this letter you will find a list of school supplies that you can bring along with you to Open House. Please continue to check www.eduprizeschools.net for any schedule changes for the upcoming school year.
