

# Welcome to Mrs. Moon's Regular Day Kindergarten!

Welcome to EDUPRIZE Kindergarten! My name is Becky Moon, and I am so excited to work with you and your child this year! This is my tenth year teaching kindergarten at EDUPRIZE. I have also taught 1<sup>st</sup> through 6<sup>th</sup> grades in Mesa Public Schools. I have a Bachelor's Degree in Elementary Education and a Master's Degree in Early Childhood Education both from Arizona State University. My husband and I live in Gilbert with our four children. Noah is in his second year of college at ASU, Adam is a senior and Megan is a sophomore at Campo Verde High School, and Nathan is in 8th grade at South Valley Junior High.

Kindergarten is such a wonderful time in your child's life! You will be amazed at how much your child will learn and grow this year! Kindergarten is the foundation for all future schooling. For this reason, I believe that it is important to create a love for learning that will carry on through the years. Working together, we will create a warm and caring classroom community filled with activities that make learning fun!

Our Cottages for this year are:

Quarter 1-All About Me    Quarter 2-Celebrations    Quarter 3-Habitats    Quarter 4-Life Cycles

Please take a moment to help me get to know you and your child better by answering a few questions:
