INTERNATIONAL BACCALAUREATE

Amy Smith
IB Director

WELCOME BACK!!

I'd like to take this opportunity to welcome everyone to the 2023-2024 school year! We've had some changes in a few of the IB teachers since last year, but let me assure you that these new teachers are dedicated to the IB and its philosophy, we are lucky to have them. Our new teachers are:

- Zachary Casey teaching IB Biology Years 1 and 2
- Summer Liang teaching IB Mandarin
- Mike Hall teaching IB Music
- Rubin McMillian teaching IB History of the America's Year 1

Additionally, we've had some teachers switch roles within the program:

- Jill Osborne is the CAS Coordinator
- Jaycie Merkley is the Extended Essay Coordinator

Still with us and in the same roles are:

- Jaycie Merkley teaching IB ELA Years 1 and 2
- Nate Nestegard teaching IB Mathematics Analysis and Approaches
- Mario Resek teaching IB Spanish
- Sarah Bernhardt teaching IB Art
- Amy Smith teaching Theory of Knowledge and IB History of the America's Year 2

Please feel free to reach out to these teachers with subject specific questions and CC me on the email as well, so I can help if they need it.

MAY 2023 RESULTS

The results for last May's exams were released to families on July 7th and I'm very happy to report that all of our subjects were at or above the world average. If your student took an exam last session and you'd like specific information about those results, please contact me. Additionally, if anyone is not happy with the results they received, IB offers the option to retake an exam in the November 2023 or May 2024 sessions. Students wishing to do this, will still need to pay the fee of 119 and complete an IA (usually students prefer to revise the previous IA). The deadline for registration for the November session is July 29th.

REGISTRATION

Registration will be happening in September, so sure to ask exam-related questions before then. I'll be talking with the IB students to make sure they are on track with their goals, so if you aren't sure if you want to test or in what subject, please email me. Each exam is 119 and you will pay through Infinite Campus—more to come on that.

Looking forward to a great year!
