

# EAGLES EDITION

## Principal's Message

Hello EDUPRIZE Secondary Families:

Our curriculum night was a huge success. All of our grade levels and departments were able to showcase all of the great instruction and learning that will take place this year. If you were not able to attend curriculum night please let us know and we will be happy to share the presentation slides with you.

The following are a few reminders for students and parents:

- We realize with the hot weather our students prefer to wear light breathable clothing however, we are asking parents/guardians to make sure their student's attire is school appropriate.
- Please be mindful of the number of children at parent drop off and pick up, as we want to ensure our students are safe. The speed limit in the parking lot is five miles per hour. Please drive safely as you enter the parking lot.
- Most students should have received their ID cards this week. Students are required to have their ID to enter campus. Please make sure your student has their ID.
- Students who drive to school should be parking in the last row of parking spots directly north of building three. Please remind your student where they should be parking.

Have a great weekend! Go Eagles!

Warm Regards,  
Dr. Jennifer L.H. Murphy  
Principal of Gilbert Eduprize High School

## IB Schedules

Juniors, if you are interested in being a diploma candidate you need to have an IB art (we offer visual art and music) and a foreign language (we offer Mandarin and Spanish).

## Diploma vs. Course

Students can choose to try to earn an IB Diploma which includes completing the following IB courses—IB English, an IB foreign language, IB History, IB Math: Analysis and Approaches, IB Biology and IB art (visual or music). In addition to these courses, students will also need to complete and pass Theory of Knowledge, Extended Essay, and CAS (this is the service learning component of the diploma). Students can also choose to take singleton IB courses and just test in those areas. For example, a student may be very strong in math and science, so they could choose to just take an exam in those two areas. EDUPRIZE offers both options.

## NAU Scholarships

Many of my former and current students have taken advantage of the several fantastic scholarship opportunities that NAU offers; check out this link to learn more <https://nav.edu/office-of-scholarships-and-financial-aid/freshman-merit-based-tuition-scholarships/>

## REGISTRATION

Registration will be happening in September, so sure to ask exam-related questions before then. I'll be talking with the IB students to make sure they are on track with their goals, so if you aren't sure if you want to test or in what subject, please email me. Each exam is 119 and you will pay through Infinite Campus—more to come on that.
