Principal's Message

Robin Yeargain

Dear EDUPRIZE Parents,

We have had another full week hosting the Boosterthon Fun Run! It was great to see many families come cheer on their children as they ran! We set a goal of \$65,000 to raise money for Smart Technology in the classroom and we have come very close, raising over \$52,000! The donation portal will be open through Sunday, November 12, 2023, so it's not too late to collect more donations. Thank YOU for your support of our school!

Next weekend we have two great events:

- Our annual food drive, in which each class is putting together a Thanksgiving meal for a family. Teachers have sent out signups for their class or you can contribute one of the items that is listed in the flyer below.
- The Gilbert Days Parade is on Saturday, November 18th, in downtown Gilbert. We are eager to march and showcase our incredible students and families. We have a few spots available if you are still interested in joining us. There is a parade flyer below if you would like to sign up and join the fun! If you don't want to march with us, we do hope to see you there cheering us on!

Thank you for your continued support

Have a wonderful 3 day weekend!

Kindly,
Robin

SEL CORNER

(SOCIAL AND EMOTIONAL LEARNING)

Dear EDUPRIZE families,

This week's tip comes from a parent, Nick. R., who shared this strategy with his child's teacher and me. This is what they practice at home to help instill self-control, especially during moments of anger!

Heather Vehon
Dean of Students K-6th

The S.T.O.P. technique:

- Stop - try not to act out before thinking about why he is getting angry
- Think - why is he angry/frustrated
- Observe - are the events really what he felt they were, or maybe he can come up with a different explanation
- Plan - how can he calm down and act, instead of yelling/accusing kids of cheating?

I included a graphic below with similar language. Do YOU have a tip you want to share that can help other families with a behavior challenge? Send it to me at heather.vehon@eduprizeschools.net.

Sincerely,
Heather Vehon

Interesting facts about beaches:

It takes thousands of years for a natural beach to be created. Beaches are made from broken down minerals and rocks. The material is broken down due to the water moving the material around. Beaches come in a variety of colors, based on the rocks and minerals that are broken down to create it.

Add **www.studentinsurance-kk.com** **to your school's website**

Adding a link to your school's website may make it easier for parents to enroll their students in your endorsed student insurance plan. Our website, www.studentinsurance-kk.com, provides easy online enrollment. You can choose from simply adding a simple text link or something more descriptive

Suggested samples for adding www.StudentInsurance-KK.com to your school/district website:

As you select a listing from the samples below, please set up your choice with a hyperlink to <http://www.studentinsurance-kk.com>

1. Simple Text Options (with hyperlink)

example a. **Enroll in Student Insurance Here**

example b. **Quote/Buy Student Insurance Online**

2. Descriptive Text Options (with hyperlinks)

example a. **Student Accident Insurance** and the following paragraph either directly below or as a popup option. The paragraph also contains 2 hyperlink options (in bold).

*Our school/district has selected the **Student Insurance Plan** from K&K Insurance Group to make reliable coverage available to parents. If you don't have other insurance, this plan may be a resource to consider. Additionally, even if you have other coverage, this plan can help fill expensive "gaps" caused by deductible and co-pays. Coverage may be purchased at any time during the school year by visiting www.studentinsurance-kk.com.*

example b. **Student Accident Insurance** and the following paragraph either directly below or as a popup option. The paragraph also contains 1 hyperlink option (in bold).

If you do not have the ability to add links to your website, simply pass this sheet along to the technology team responsible for your school/district website. You may encourage individual schools to add this to their own sites as well. If you need additional assistance, please send an email to info@studentinsurance-kk.com.
