Principal's Message

Robin Yeargain

Dear EDUPRIZE Parents,

Exciting things are happening at school: candy grams, conferences, and Spring Spectacular! Each day we celebrate and work together to accomplish goals. Speaking of goals, next week we have parent-teacher conferences. Third-quarter conferences are crucial! Teachers want to meet with each family to share academic progress and growth, as well as share strengths and areas of improvement or focus. This conference will provide data on grade-level growth/achievements and shed light on future readiness. If you have not signed up with your child's teacher, please do so quickly!

Finally, our Spring Spectacular will be on Friday, February 23rd from 4-8 pm. Just this week, we had Talent Show tryouts and many brave students are **READY** to wow you with their talent! The Spring Spectacular will be a fun night for the family, including bounce houses, old-school carnival games, food (both pizza and food trucks), the amazing class basket raffle, and the talent show performance. We also have a surprise DJ to host the night, come see who is joining our fun!

I hope to see you on campus next week!
Have a wonderful weekend!

Kindly,
Robin

SEL CORNER

(SOCIAL AND EMOTIONAL LEARNING)

Dear EDUPRIZE families,

Let's talk about executive functions. According to the Child Mind Institute, "Executive functions are the essential self-regulating skills that we all use every day to plan, organize, make decisions, and learn from past mistakes." For some kids (especially those with ADD or ADHD) these skills are more challenging and they can pose problems with behavior and academic success. Here are some things to do to help your child with these skills.

Heather Vehon
Dean of Students K-6th

1. Checklists - model for your child how you can take a task and break it down into parts with a checklist. That helps kids move step by step through tasks.
2. Planners - have a kiddo that forgets homework? Teach them how to use a planner to record and remember tasks and due dates.
3. Organization - teach your child how YOU keep papers in order and work with them to find a system that works for THEM. Binder? Folders? Trays? And tell them the "why" behind your system too!
