

EAGLES EDITION

Principal's Message

Hello Eagle Families,

Our Spring Spectacular was a huge success. A big thank you to our PTN, Teachers, Students, and Parents for volunteering their time to ensure our students had a wonderful experience. Another great success was our Eagle Expo! It was a great evening filled with a lot of learning and celebration. A big thank you to our Eagle Expo committee and all of the teachers for a successful event!

Here are a few reminders:

- We are only one week away from Spring Break and the end of the quarter. Please reach out to your student(s)' teachers if you have any questions regarding their grades.
- Please continue to encourage your student(s) to charge their chromebooks at home. When we return from spring break we will begin testing and students will be expected to bring their device to school.
 - Please also remind your students to bring wired headphones as there may be times where headphones are needed. Please note, aux cords are the only compatible headphones students can use with their computers.

Have a great weekend Eagles!

Sincerely,
Dr. Jennifer Murphy

Amy Smith
IB Director

A Huge Congratulations to our National History Day State Finalist: CADEN S.

The National History Day is a competition in which students in grades 6–12 choose a topic and dive deeply into the past by conducting extensive research in libraries, archives, and museums. They then present their conclusions and evidence through papers, exhibits, performances, documentaries, or websites, moving through a series of contest levels where they are evaluated by professional historians and educators. Through this process, students develop skills in communication, project management, and historical thinking.

This year's theme is "Turning Points in History". Caden will be competing this coming weekend for state. Let's wish him good luck!

IB English Language and Literature SL

As you may have read in last week's newsletter, EDUPRIZE is bringing IB ELA SL (standard level) to all of our juniors next year. Please take a look at our website for more information. This link will also give you more information about this exciting opportunity for our students. <https://ibo.org/ib-schoolwide-adoption/>

Have a great weekend,

Amy Smith

INTERNATIONAL BACCALAUREATE

IB English Language and Literature SL: Statement to Stakeholders

EDUPRIZE High School is an International Baccalaureate World School. In the 11th and 12th grade, students may choose to pursue the IB Diploma Program or access the IB experience through general coursework. At EDUPRIZE we believe that equitable education should be available to all students, which is why we are excited to announce our two year roll out of the IB Standard Level English Language and Literature course for all juniors and seniors.

The roll out of this will take place over two years, with the rising sophomores starting the 2024-2025 school year. Eventually students will take this course over two years (both junior and senior years), so the class of 2026 will be the first to complete this course. The following is the course description you can find in our course catalog:

"The SL language and literature course introduces the critical study and interpretation of written and spoken texts from a range of literary forms and non literary text-types. The course is organized into three areas of exploration and seven central concepts, and focuses on the study of both literary or non-literary texts. An understanding of how language, culture and context determine the construction of meaning is developed through the exploration of texts, some of which are studied in translation, from a variety of cultures, periods, text-types and literary forms Students develop skills of literary and textual analysis, and also the ability to present their ideas effectively.

The formal assessments are two essay papers, one requiring the analysis of unseen non-literary text, and the other a comparative response to a question based on two literary works studied. Students also perform an oral activity presenting their analysis of a literary work and a non-literary body of work studied."

The International Baccalaureate aspires to help schools develop well-rounded students with character who respond to challenges with optimism and an open mind, are confident in their own identities, make ethical decisions, join with others in celebrating our common humanity and prepared to apply what they learn in real-world, complex and unpredictable situations. Students in this course will:

- Be encouraged to think independently
- Become culturally aware and empathetic
- Be able to engage with people in an increasingly globalized, rapidly changing world
- Ask challenging questions
- Think critically
- Develop research and communication skills proven to improve success after high school

EDUPRIZE is committed to continue to meet the needs of individual students who have a wide variety of strengths and weaknesses that they bring to the classroom each day. Additionally, we are confident that this curriculum, as well as all staff involved, are prepared to make this a smooth transition for all of our students.

To learn more about IB's philosophy on an equitable education, please visit this website <https://www.ibo.org/programmes/equity-and-inclusive-education-in-the-ib/>

Any additional questions can be directed to Amy Smith at amy.smith@eduprizeschools.net

Health Office Updates

IMPORTANT HEALTH OFFICE INFORMATION

As illness or health situations occur throughout the school year, it may be necessary for medication to be administered at school. All prescribed AND over the counter medication (i.e. Tylenol, Ibuprofen, Benadryl, etc.) will need to be checked into the Health Office, along with a [Prescription and Non-prescription Medication Consent](#) form which requires a doctor's signature. These forms can be found on our website www.eduprizeschools.net under the Parent & Student Resources>Health Office Forms, or you can just click on any of the links provided in light blue.

- HEALTH ACTION PLAN: Please be aware that children who have asthma, diabetes, or seizures will need an action plan provided by their health care provider, ALONG with the signed [Prescription and Non-prescription Medication Consent](#) form .
- ASTHMA: If your child has asthma, an asthma action plan will need to be provided by your doctor ALONG with a signed [Prescription and Non-prescription Medication Consent](#) form .
- ALLERGIES: Allergies that require an EpiPen will need an [Anaphylaxis Management Packet](#) filled out and signed by a doctor along with the [Prescription and Non-prescription Medication Consent](#) form .
- MEDICATION: As a reminder, ALL medications need to be checked in at the Health Office. Students should not carry medications in their backpacks. A [Prescription and Non-prescription Medication Consent](#) form will also need to be filled out for any medications, prescription or non prescription.

We cannot accept ANY medications without these forms.

Any questions can be directed to the Health Office staff at (480) 813-9537 option 7

Medication Authorization

If you would like your student to be able to access medication at school, please complete the authorization [FORM](#) and return to the health office.
