

EAGLES EDITION

Principal's Message

Hello Eagle Families,

It was great to see all of our students back from Spring Break. This past week we began our state testing season. Through the month of April there will be a few days of testing each week, depending on the grade level. Please remind your student(s) to bring their school issued device to school with a full charge. The devices are being used for testing, as all of our assessments are on a digital platform. During testing days, devices are placed into testing mode in order to maintain compliance with our testing security. After 4:00 PM each day the testing mode will be turned off and students can use their devices until the following morning. If your student(s) have their own devices, those will not be used for testing.

The following links are from previous communication in regards to state testing:

Please let us know if you have any questions. Have a three day weekend.

Sincerely,
Dr. Jennifer Murphy
